SUPPLEMENTAL DECLARATION FOR MATTER DISCLOSEDBUT NOT ORIGINALLY CLAIMED

As below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe that I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the above entitled invention, including any amendments as follows:

preliminary amendment dated: May 16, 2007

I hereby declare that the subject matter of the above amendments was part of the invention and was invented before the filing date of the original application, above identified, for such invention.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, 1.56(a), including for continuation in part applications, material information which became available between the filing of the prior application and the national or PCT international filing date of the continuation in part application.
