

REMARKS/ARGUMENTS

Interview From April 5, 2012

The undersigned and inventor thank the examiner for the interview held on April 5. During the interview, we discussed the electronic gaming devices and the need for air cleaning in casino gaming devices, where such devices are subject to particularly damaging particles due to their proximity to, in particular, tars and VOCs from smoked tobacco products.

We discussed other topics regarding Wong and the invention but the above was the focus of the conversation and resulted in the above amendment, the preparation of which was arrived at with the examiner's helpful feedback.

If the examiner believes that any additional minor formal matters need to be addressed in order to place this application in condition for allowance, or that a telephone interview will help to materially advance the prosecution of this application, the examiner is invited to contact the undersigned by telephone at the examiner's convenience.

Applicant: Forwood Wiser
Application No.: 11/618,555

In view of the foregoing amendment and remarks, applicant respectfully submit that the present application, including the claims is in condition for allowance and a notice to that effect is respectfully requested.

Respectfully submitted,

Forwood Wiser
