

**REMARKS**

The action indicated that claim 30 would be allowable if rewritten in independent form and thus, this amendment incorporates claim 30 and its dependent claims 29 and 1, into claims 1 and 13. Having incorporated allowable subject matter into the only independent claims pending, all claims should now be allowable.

The above amendment does not indicate agreement with the rejection but merely takes advantage of the indication of allowable subject matter.

The undersigned believes that the amendments and remarks herein place this application in condition for allowance. If the examiner has any questions, the undersigned invites a telephone call at the examiner's convenience.

Sincerely,

/Stephen B. Schott/
