

---

**Remarks**

These remarks are submitted in response to the Final Office Action of February 21, 2013. At the time of the Office Action, claims 1-20 were pending. Amendments have been made to claim 13 in the present Office Action. No new matter has been added.

**I. Double Patenting Rejection**

Claims 1-20 are rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claims 1-32 of U.S. Patent No. 7,688,273.

We respectfully disagree with the assertion of the double patenting rejection. However, in order to advance prosecution, a Terminal Disclaimer attached hereto is submitted to overcome such rejection.

**II. Conclusion**

This application is in condition for allowance, which action is respectfully requested. It is respectfully requested that the Examiner call the undersigned if clarification is needed on any matter within this Amendment, or if the Examiner believes a telephone interview would expedite the prosecution of the subject application to completion. Please charge any deficiencies or credit any overpayment to Deposit Account No. 50-5199.

Respectfully submitted,

/Ed Guntin/
