In re Application of :
WISER, FORWOOD C., et al. :
Application No. 14/451,531 : DECISION ON PETITION
Filing Date: August 05, 2014 :
Attorney Docket No.: EDG.P004.US.04 :

This is a decision on the petition filed December 11, 2016, which is being treated under the unintentional application of 37 CFR 1.137(a), to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to reply in a timely manner to the non-final office action mailed, June 02, 2016, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on September 03, 2016.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(a) in that (1) a reply in the form of an amendment to the non-final office action was sent in with the petition ; (2) the petition fee of \$850; and (3) the required statement of unintentional delay have been received.

Petitioner has submitted an unintentionally delayed statement pursuant to 37 CFR 1.137(b). As of December 18, 2013, all petitions to revive an unintentionally abandoned application must be under rule 37 CFR 1.137(a). Since the statement on the instant petition cites the old rule, the statement is being construed as the statement required by 37 CFR 1.137(a). Petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.

The file does not indicate a change of address has been submitted, although the address given on the petition differs from the address of record. If appropriate, a change of address should be filed in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

Application/Control Number: 14/451,531
