Title: Recycling Information Tool

Request for Corrected Filing Receipt, Response to Notice of Omitted Items, and Preliminary Amendment

Mail Stop Petitions  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Commissioner:

This responds to the February 19, 2014 filing receipt and Notice of Omitted Items.

Upon reviewing the filing receipt, it was noticed that the priority claim to US provisional 61/934,789 filed February 2, 2014 was unintentionally not included in the Application Data Sheet. Pursuant to 37 CFR 1.78, the priority claim has been included in the attached marked up ADS and also within the application itself as contained in the attached substitute specification.

Please also correct the filing receipt as shown on the attached filing receipt.

### **IN THE SPECIFICATION**

Please substitute the specification for the specification attached, which merely removes reference to Figures 8 and 9 (thus addressing the Notice to File Omitted Items) and also includes the priority claim to the provisional application 61/934,789 as required by 37 CFR 1.78. Copies of the clean and marked-up specifications are enclosed for reference.

The substitute specification adds no new matter.

**REMARKS**

The date of filing for the application is as February 2, 2015 is accepted as the date of deposit.

Sincerely,

/Stephen B. Schott /
